About SmarTire

SmarTire develops and markets proprietary advanced wireless sensing and control systems worldwide under the SmartWave™ trademark. SmarTire has developed numerous patent-protected wireless technologies and advanced tire monitoring solutions since it was founded in 1987. Its proprietary SmartWave platform provides a foundation for the addition of multiple wireless sensing and control applications. The initial product release on the SmartWave platform is SmartWave TPMS, which leverages on SmarTire's background and knowledge in tire monitoring solutions. SmarTire has offices in North America and Europe. For more information, visit <http://www.smartire.com>.
